Come See the Changes at Albertina's Place!

We made it through another hustle and bustle holiday season. Now with a fresh new year, we want to entice you to think about setting aside time to continue your generous giving by shopping and dining at Albertina's Place.

Over the holiday closure period, the time our loyal volunteer team takes a much needed break, we made some physical changes and updated the look and feel of our shopping experience for our customers. All of the retail shops became unified as Albertina's Place with housewares moving to the Heirlooms space allowing for the Closet to have more space for apparel and accessories. The Jewel Box space will sell the remaining wholesale gift items and will showcase rotating items we sell. Our main focus on retail items will be through a donation model, allowing for the very

best level of profit and contribution to Albertina Kerr's mission.

The updates to Albertina's Place include:

- Former Jewel Box space - new slat walls, paint in a more neutral color.
- Apparel & Accesories - new flooring in the former housewares space
- Restaurant - installation of InFocus machine & screen in Garden Room
- Housewares & Home Decor - new IKEA display cases for our new 70% donation, 30% consignment model

What Will Customers Enjoy With This Change?

Our shopping layout will now be similar to a department store layout and easier for our customers to shop. This change is a proven successful retail model. Now customers can easily outfit their home in our one stop shop with our upscale thrift shop primarily selling apparel, accessories, books and linens; the Heirloom space becomes dedicated to housewares, furniture and home décor with a smaller selection of consigned items; and a unique retail space in the Jewel Box and lobby will showcase all that we sell and will offer special displays to entice customers.

The retail focus for 2018 will include selling our remaining retail product, continuing to procure high-quality donations and blending a smaller more curated number of consigned items for our customers. We will offer the best of the best.

Change Is Good!

Over the past 37 years, the volunteer run businesses adapted to many different changes. We're still in business. We're still providing a memorable, destination shopping and lunch outing for our customers. Each and every volunteer provides value to our daily work, and it's our customers who help us positively contribute to Albertina Kerr's programs and services, year over year.

Make 2018 the year you consciously shop, dine and volunteer to support Albertina Kerr. If you have the means, find it in your heart to donate to Albertina Kerr's worthy programs that empower people with intellectual and developmental disabilities, mental health challenges and other social barriers to lead self-determined lives and reach their full potential. Whether it's including just a little extra tip on your restaurant bill or saying "yes" when asked if you'd like to donate your change, you'll notice a major shift in your mood and the way you give throughout the year.

We look forward to seeing you!
