

2018 Christmas Ships Soirée

“Christmas Ships is a lovely, intimate evening where friends easily come together to support a child with developmental disabilities that many people leave behind.”

— Catherine Bekooy, Foundation Trustee,
Christmas Ships Soiree Committee Member

This holiday season, join us with your family for an exclusive riverfront viewing of the Christmas Ships Parade at Waverly Country Club. Take in the beautiful holiday décor and scenic sights as the ships go by on the Willamette River. A festive cocktail party is included with live music, hosted drinks and hors d'oeuvres, and children's activities.

All proceeds from the event will benefit the mission of Albertina Kerr, empowering people with intellectual and developmental disabilities, mental health challenges, and other social barriers to lead self-determined lives and reach their full potential. This happens every day in our group homes, day services, community-based mental health services, and one-of-a-kind children's crisis psychiatric care facility.

This event is a wonderful opportunity for client engagement or a holiday celebration with your staff or family, and you can feel good about supporting the people served by Albertina Kerr. We invite you to join us this holiday season!

Additionally, there will be signage featuring your company in that area and explaining how the cost has been underwritten. This underwriting will allow all of the ticket sales, raffles, and other fundraising to go 100% towards Kerr's mission.
