

ALBERTINA KERR

Albertina Kerr is closely monitoring the evolving outbreak of COVID-19. Your safety and well-being is our top priority! **We encourage families to visit “remotely” with clients via video or phone.**

Per the Oregon Health Authority, the following policy is being implemented:

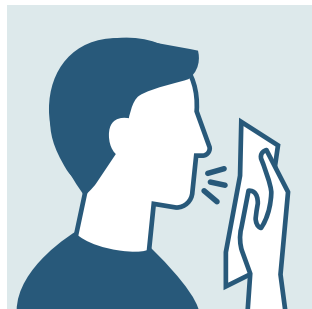

- Visitors to Kerr Group Homes and our Crisis Psychiatric Care (Subacute) facility are limited to Kerr staff and other professional staff.
- All visitors must be screened for symptoms, and will not be allowed to enter if ill
- We must log and maintain those screenings for inspection
- Guests and clients must remain 6-feet apart (social distancing)

BEFORE ENTERING, please do the following to help us keep everyone safe and healthy.

Wash your hands upon arriving and before leaving.

Please use soap and water (available in the restroom) and dry your hands with a paper towel. We also have hand sanitizer for your convenience.

Always cover coughs and sneezes.

- Use the inside of your elbow or a tissue
- Please throw used tissues in a trash bin immediately
- Wash your hands with soap and water, or use a hand sanitizer that contains at least 60% alcohol

Please postpone your visit if:

- You have a fever, cough, shortness of breath, or other cold symptoms
- You have been in contact with someone who has been sick
- You have traveled outside the United States in the last 14 days or you have visited an area significantly impacted by COVID-19

Thank you for your support as we navigate this situation.
